

VICORE

HAM/GLUTE

THE DETAILS

Nothing follows our company mission of “A better way to do things” than The New Vicore Ham-G. With our Patent Pending AIR INFUSION TECHNOLOGY, every part of this machine that makes contact with your body is 100% dynamic and three dimensional., allowing you to workout harder and longer, with zero stress points. Hip flexors, shins, ache lies, glutes all float on a cushion of air, virtually eliminating the bad kind of pain in exchange for “The Good Kind”.

- Commercial grade 75mm, 11 gauge steel
- Body Link surface tested to 2,041 kgs (4,500 lbs.)
- Rubber foot pads safe for all floors
- Proprietary two step paint process
- Robotic welds
